Dear Greg:

I want to personally congratulate you for your team's April sales performance.

Chevrolet posted 169,794 total deliveries in April, up 25% versus last year. This marks our eighth consecutive month of year over year retail sales increases. We appreciate all our dealers' efforts to deliver these results and to get the year off to a solid start.

You and your team did an outstanding job to grow your sales last month. Your 89 sales represent an increase of 93.5% over last April.

For May, we need to get out of the box with a strong start as we work together to sustain our recent sales momentum. Again, thanks for everything you do for Chevrolet.

Regards,
